Explanation - This amendment is for the Division of Criminal Investigation in the Department of Justice. It switches funding from the consumer protection education state special revenue fund to the general fund for a program for preventing child abuse within the child sexual predator and drug diversion program. This funding being switched is restricted only for this purpose.

The amendment increases general fund by \$100,000 each year (\$200,000 for the biennium) and reduces state special revenue by like amounts. It is associated with DP 1804 discussed on page D-37 of the narrative.
